

A collection of vintage aviation artifacts is displayed on a light-colored tiled floor. In the foreground, a large, polished wooden propeller lies horizontally. Behind it, a dark, conical propeller nut and a long, black propeller pin with a yellow tip are visible. The items are resting on a piece of white paper or fabric. In the background, a rectangular sign with a black border and white background features the text "DÉFENSE D'ENTRER AÉRODROME" in black, bold, sans-serif capital letters. The setting is an indoor room with white walls, two white radiators, and a window on the left showing greenery outside. Two yellow ground lights are visible in the background on the right.
